

About Us

Welcome to Our Company

Establish in 2020 “Meen Enterprises” (A proprietorship Firm) is one of the leading Manufacturers & Traders of All Type Of Industrial Fasteners. We are leading the fasteners industry by manufacturing high-quality bolts and nuts and export them worldwide by implementing quality control at every process of manufacturing. We believe that there is always a scope for improvement & we will strive for that, which is called "THE PERFECTION" in our production process.

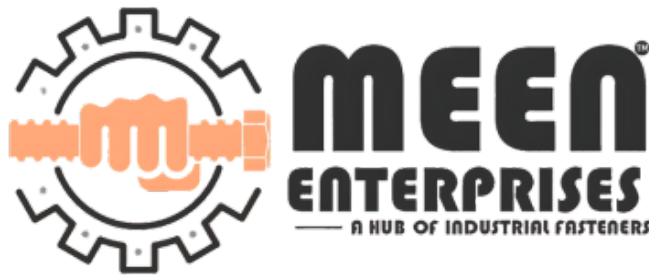

About Us

The company is trusted and reputed amongst its customers for providing technically robust end to end solutions to any industrial needs. It always works in close harness with its customers through its skilled and outstanding team of human resources. We have an accepting new challenge.

We analyze each project critically and after careful consideration ensure that the design of structures is tailored to optimally fit the required purpose. Post-production, the fabricated and galvanized metallic structures undergo a quality test to ensure their design, resistance against weather, dimensional accuracy, high illumination, reliability, and extended durability.

Why Meen Enterprises ?

Our ethical, professional and transparent approach to business dealings gave us a reputation of integrity and honesty in the industry. Along with this, we were able to constantly outdo ourselves by incorporating innovative production means and dedicated logistic support.

Some of the salient features that give us a competitive edge over others are as follows:

- Use Of Quality Raw Materials
- Expert Team Of Professionals
- Competitive Cost
- Large Production Capacity
- Consistent Quality

Our Infrastructure

We have constructed a well-developed infrastructure that is equipped with all the state-of-art machines and equipment. Our infrastructure is segregated into various departments like advanced production facility, testing laboratory, Research, and Development unit, and a spacious warehouse, which enables us to manufacture a high-grade range of these products. We have equipped our manufacturing unit with the latest machines, testing laboratory and R & D unit improved contemporary machinery, robust construction and these machines are operated by our most efficient and skilled professionals.

We have a modern infrastructure set up. And, our unit is well connected with shipment modes that enable us to timely delivery of our heavy-duty products at the customer's end.

What We Manufacturers

Square Nuts

Flange Nut

Csk Slotted Machine Screw

What We Manufacturers

Hex Nuts

Anti Theft Nut Bolt

Allen Csk

Allen Bolt

Wood Screw

Wire Rope Clamp

Wing Nuts

U Bolt

Stainless Steel Threaded Bar

What We Manufacturers

Button Head Screw

Coupling Nuts

Stainless Steel SS Spring Washer

Stainless Steel Grub Screw

Stainless Steel Dome Nut

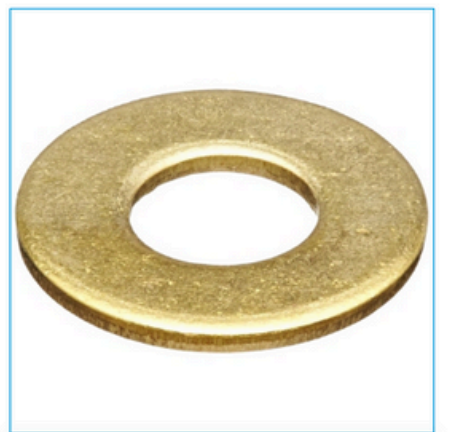

Stainless Steel Carriage Bolt

Spring Channel Nut

Stainles Steel Hex Bolt

Plain Washers

What We Manufacturers

Nylock Nut

High Tensile Bolt

Stainless Steel Studs

Stringent Quality Assurance

MEEN ENTERPRISES gives top notch priority to quality of the products. To maintain high quality, we follow stringent quality measures under the supervision of qualified team of experts. Our in-house quality inspection department strictly tests & monitors the entire range at every stage of production. The team of quality analysts keep a vigil eye on all the processes and products, right from procuring of raw materials up to final dispatch of the consignments.

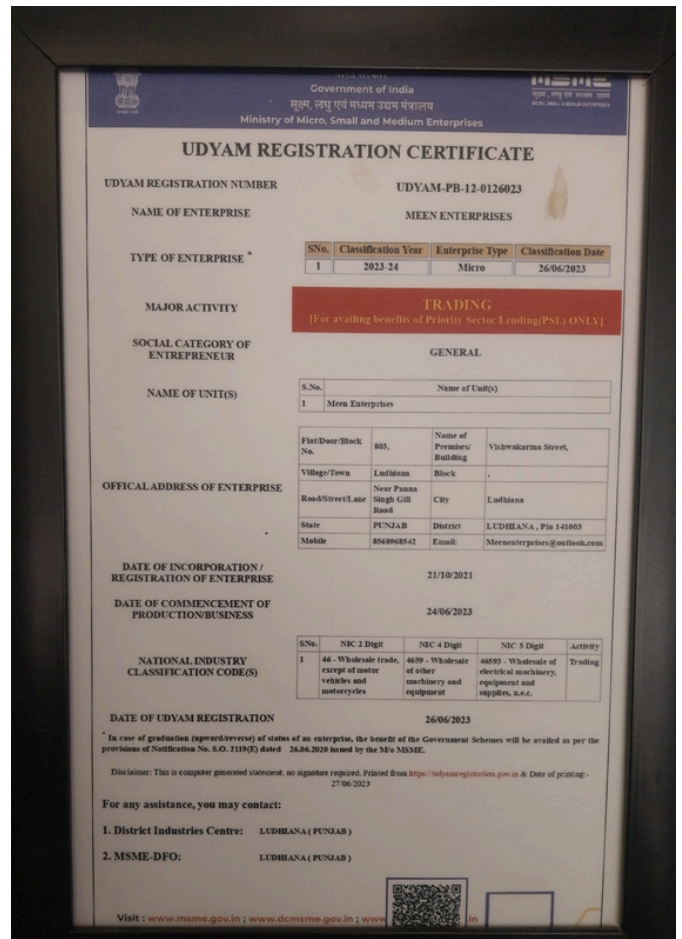

Some of the predefined parameters on which we test our products are mentioned below :

- Strength
- Durability
- Performance
- Resistance
